**Support Our Troops**

**AVET Project has discovered just how desperately our brave men and women warriors need of our PR&R retreats.**

After participating in a Project Recuperation and Reintegration retreat (PR&R), they find themselves in a much better place mentally and physically. The tools, skills, relaxation/stress mediation techniques, and individualized "Action Plan" provided during the PR&R retreat prepare these soldiers for a brighter future. Counseling on VA and state benefit eligibility, healthcare enrollment, education opportunities, and how to file for potential benefits is all covered in a comprehensive fashion in PR&R.

It's our turn to care for these brave men and women and let them relax and decompress after returning from combat deployment. AVET Project's PR&R retreat treats them like kings, waiting on them hand and foot, where they enjoy outdoor massages, great food (and plenty of it!), fishing, jet boat rides, nightly relaxation and conversation at the campfire, river floats, inviting friends to care for our warriors, and luxurious accommodations at a beautiful home on the Rogue River in Grants Pass, Oregon.

They rave about the experience, and you are invited to read comments from recent participants on our Facebook WALL and under photos. We invite you to visit our website, too, at [www.avetproject.org](http://www.avetproject.org)

Please support AVET Project Recuperation and Reintegration Retreats by making a tax-deductible donation TODAY, right now, via our secure PayPal system... just click on the "Donate" button located throughout the website [www.avetproject.org](http://www.avetproject.org).

**Sincerely,**
