**AVET Project** has just received a wonderful donation from Support Our Troops.Org of 19,440 Saline Nasal Wash and Rinsing Solution Ready-to-use, drug free solutions that the warriors need with all that sand and toxins in the air, plus Biofreeze spray for 4,608 warriors who endure a lot on their bodies. This donation will help meet the needs of thousands of our brave men and women who are fighting to preserve our freedom and liberty!

Now we need to raise funds to cover shipping costs... you can help!

Please support **AVET Project** by making a tax-deductible donation TODAY, right now, via our secure PayPal system... just click on the "DONATE" button located throughout the website  
[www.avetproject.org](http://www.avetproject.org).

They protect us and our way of life... it's because of them that we live in the Land of the FREE. Let's pray they all get home safely and soon!

Meanwhile, please help **AVET Project** provide a little relief for them and some extra goodies from home.

Sincerely,

**Garren S. Cone**
